Wait is over, take a look at Canmore's "CreekHouse" with an unrivalled peaceful location on Policeman's Creek while only steps from the heart of Canmore. Firstly, the Creekhouseshould really be called the Creekhouses, as this property actually contains two complete homes in one building. This property is ideal to use as your Canmore Oasis while also gaining a high return from the short-term rental potential. Enjoy the custom details throughout both homes including extensive log work, wall murals, iron railings, river rock fireplaces & more. The Larger Home features 3 of the bedroom suites plus a great entertaining space, stunning office & views of the creek throughout. A shared hot tub sanctuary deck on the top floor is an oasis after a day at play in the mountains. The 2 bedroom home provides stunning south views throughout plus the feature bedroom with domed ceiling and a one-of-a-kind mural, something to behold. A large workshop & plenty of parking complete this Canmore legend
