Prime retail shopping plaza for sale in the heart of Bridgeland. Sale includes eight fully demised commercial units all on one title which form part of a strata 3 storey mixed use condominium development (residential units are privately owned and not part of the sale). The property boasts a healthy mix of local and national tenants, offering a prospective purchaser the unique opportunity to own a "soon to be" fully leased community asset. This income producing property is impeccably maintained and shows very well. Assumable financing (3.60% with two years left on the term) is available for a qualified purchaser. There is a fully populated data room that can be accessed upon execution of a CA.
