Central Vacuum, GDO & Control, Garage Heater (Not Hooked Up)

with engineered hardwood floors and a beautiful gas fireplace. The kitchen features lots of ivory cupboards with granite countertops, a sili

granite sink, and stainless steel appliances. Dining room is a good size, open to the kitchen, and opens to the back deck. Main floor also features 3 bedrooms, the master with ensuite c/w double sinks and a large shower and a large walk in closet. Also on main is another full bathroom. Downstairs features 2 more bedrooms, another full bathroom, a huge family room with built in speakers and a walk out to the back yard; as well as a large laundry room c/w cabinets and a stand alone sink. Most of the appliances, as well as the furnace have been replaced in the past few years. Garage is finished and has plumbing for a gas heater, which is there for you to install. Have a look today. Priced to sell!

Wonderful bi-level in Whispering Ridge. Driveway and back patio are both aggregate. The main level features a good sized living room
