Features:

This stunning two-story home offers 2931 sq. ft. of living space, located in one of New Brighton's most sought-after areas. With 6 bedrooms and 4.5 bathrooms, it is designed to cater to modern family living. The main floor features a versatile den, a cozy family room, and a spacious living room, ideal for entertaining or relaxation. The oversized double-attached garage provides ample storage and parking, complemented by a long driveway for additional convenience. The master suite is a luxurious retreat with a walk-in closet and a beautifully upgraded ensuite, complete with a separate shower. A second bedroom has its own four-piece bathroom, while two other generously sized bedrooms share a third bathroom. This home has received many upgrades, including elegant granite countertops, a custom-built entertainment center in the family room, upgraded stair railings, stylish lighting throughout, and a large deck with a glass fence, perfect for outdoor living. The fully fenced yard offers privacy. With nearly the largest square footage in New Brighton, this home is a rare find, offering both functionality and luxury in a prime location.
