Very private and secluded 160 acres, treed, flowing Tributary Edson River with main house, custom log lodge, double detached garage with loft, numerous out buildings. Property is totally of grid and has a full extensive solar panel system backed up with generators, propane and a heatmor. Other features are garden, green houses, root cellar, 2 water wells. Crown land all around the property. Numerus walking and quad trails throughout the property. Property can be a great project for a bed and breakfast operation or as a resort for hunters and sledders. Very well maintained.
